Scaffolding branch

The Scaffolding branch is located at 200, 134 Pembina Road, Sherwood Park, AB, T8H 0M2, Canada. The scaffolding Division was introduced to Wrapex in 2018 with an existing management team of (2) from a related company. The scaffolding division has a combined 14 years of managerial service in the local area and a dedicated field staff of 37 local scaffolders in Edmonton and Lloydminster. The branch has many long-term clients and a growing client base. The Scaffolding division services its own independent clientele and combined services with the insulation branches throughout BC, Alberta, Saskatchewan, and Manitoba. After introducing our scaffolding division in 2018, our market share and opportunities have grown based on the combined service offerings. Wrapex scaffolding division works significantly with the largest producer in Lloydminster, Cenovus Energy. This is one of two divisions in final negotiations on a large-scale (approximately \$14-\$28 million per year) contract in northern Alberta. If successful, this contract will be for a three-year term with an option for two additional years.

LLOYDMINSTER BRANCH

The Lloydminster branch is at 15049 Hwy16 West, Lot 6B Kams Industrial Park, Lloydminster AB, T9V 3A8, Canada. Wrapex has a high visibility location along Highway 16 and an existing management team of (2) with a combined 30 years of service in the local area and a dedicated field staff of locals. The branch has many long-term clients and a growing client base. This is an insulation-based branch; however, after introducing our scaffolding division in 2018, our market share and opportunities have grown based on the combined service offerings. Wrapex does a significant amount of work with the largest producer in the area, Cenovus Energy, utilizing various insulation and cladding products. This branch straddles the border between Alberta and Saskatchewan, which gives us proximity to opportunities on both sides. Cenovus is investing between \$1.2 to 1.7 billion in optimization and growth capital to integrate the Lloydminster operation with its other assets, including Foster Creek.
